Formations

2021-12-31 — Bac +2 — Smart College
Institute Diploma in Electronic (BT3)

Expériences professionnelles

2022-01-01 - 2022-12-31 — Solar Panel Installer

Install, maintain, and repair solar energy systems, ensuring optimal performance and energy efficiency for residential and commercial clients. Conduct site assessments, design system layouts, and connect solar panels to electrical grids in compliance with industry standards and local regulations.

2021-01-01 - 2022-12-31 — Electric Technician

Troubleshoot, maintain, and repair electrical systems and machinery to ensure continuous production and minimize downtime in a factory setting. Install, test, and maintain electrical components, wiring, and control panels for production equipment and factory operations.

2019-01-01 - 2021-12-31 — HVAC Maintenance Technician

Perform routine maintenance and repairs on HVAC systems, including heating, cooling, and ventilation units, to ensure optimal functionality and energy efficiency. Troubleshoot and diagnose system issues, replace faulty components, and ensure compliance with safety and environmental standards.

2018-01-01 - 2019-12-31 — Electronic Technician

Diagnose and repair a wide range of electronic devices, including smartphones, laptops, and computers, by replacing faulty components and troubleshooting hardware and software issues. Provide technical support and advice on device maintenance, upgrades, and repairs to clients, ensuring high customer satisfaction.

2016-01-01 - 2018-12-31 — CCTV Technician

Install, configure, and maintain CCTV surveillance cameras and associated security systems, ensuring proper functionality and network integration. Set up and configure internet networks, routers, and other network infrastructure to ensure smooth data transmission and security system operations.

2014-01-01 - 2016-12-31 — Plumber + Electric Technician

Install and repair plumbing systems, including pipes, faucets, and fixtures, ensuring functionality, safety, and compliance with local building codes. Handle electrical installations, wiring, and maintenance, ensuring safety and efficiency for residential and commercial properties.

Langues

Arabe (Langue maternelle), Anglais (Bilingue), Français (Intermédiaire)
