12/2006 — Bac +2 — Technical Institute of Electromechanical Maintenance (ITEEM)
TS (higher technician certificate) – option: machine maintenance
12/2004 — USTHB – Algiers
DEUA – Electrical engineering
12/2002 — USTHB – Algiers
TC – Earth Science
12/2001 — Bac
BAC – Civil engineering

Expériences professionnelles

04/2022 - 03/2023 — Senior mechanic

Worked under maintenance manager supervision to ensure machine availability for production targets and execution of maintenance planning program.

03/2019 - 01/2022 — Maintenance supervisor – haulage and load machine

In charge of loading equipment (trucks, excavators, loaders, dozers, graders) in a copper mine; ensured fleet availability, managed worksheets, coordinated 36 local technicians and 5 expatriate supervisors, handled warranty and rebuild contracts with Caterpillar dealer, improved tooling designs and parts inventory, participated in purchasing to protect budget, implemented safety procedures.

09/2016 - 10/2018 — Workshop manager (interim) – component rebuild centre

Administrative monitoring of operations, technical follow up of repairs, workshop organisation, tooling and parts storage, planning interventions, reporting, supervising technicians, enforcing safety and hygiene rules, analysing warranty costs, recruiting and training workshop staff, leading maintenance projects.

08/2015 - 09/2016 — Field service technician

Monitored rental equipment at Lafarge Holcim (M’sila), managed 16 machines, improved preventive maintenance, supervised 8 local technicians, ensured safety and planning, coordinated logistics and client communication.

01/2014 - 03/2015 — Fleet Maintenance Supervisor

Directed maintenance and planning for 42 Caterpillar 777E/777F machines, managed 3 shifts (35 technicians, 3 supervisors), acted as interim maintenance head, coordinated with Caterpillar dealer, controlled parts requisitions and subcontractors, trained personnel.

02/2013 - 12/2013 — Field service technician

Ensured field performance of machines, supervised technicians, carried out inspections, repairs, calibrations, and modifications; read hydraulic/electrical schematics; performed installations, commissioning and maintenance.

08/2012 - 02/2013 — Workshop technician

Promoted team spirit, organized work plans, implemented safe working practices, controlled attendance and discipline.

03/2010 - 08/2012 — Mechanic

Performed system diagnostics (hydraulic, electrical), reconditioned gearboxes, converters, distributors, hydraulic pumps, and other components.

10/2006 - 03/2010 — Mechanic

Diagnosed vehicle breakdowns, performed removals, inspections, repairs, refitting and adjustments on Mercedes Benz vehicles.
