Expériences professionnelles

2024-01-01 - 2024-09-30 — Technology Project Manager

Gathered requirements and delegated responsibilities around an organisation's information technology (CI/CD pipelines). Helped transition teams to Agile while taking ownership of managing the end-to-end project lifecycle. Collaborated with key stakeholders to define and report on project requirements and finalise the release backlog. Led the delivery at the project level and ensured impediments and risks were actioned as soon as they were detected.

2023-09-01 - 2023-12-31 — Project Manager

Supported multiple Cloud-based and On-Premises (SAAS) implementation projects (15+) valued at £7 million. Facilitated Smart Working implementation with the Solution Architect to build a project plan and track technical deliveries. Project managed all phases of a new billing system that helped to significantly reduce invoice errors by 30%. Conducted a full Agile maturity delivery assessment on a team of 20 and was responsible for reporting progress to the CIO.

2023-03-01 - 2023-07-31 — Project Manager

Prioritised IoT solution deployments and a Radius 3 upgrade that improved operational productivity by 20%. Collaborated with senior stakeholders to ensure the development of plans that align with project requirements. Managed testing and cutover activities across 2 software’s while successfully delivering on 3000+ end-user requirements. Leveraged industry expertise to coach leaders and teams in the understanding of the concepts regarding new processes.

2022-01-01 - 2022-04-30 — Project Manager

Managed all phases of rolling out a Change Process for a £2 million project delivery of new design software. Created and developed key project and programme documents while managing the budget and project resources.

2020-06-01 - 2021-12-31 — Project Coordinator

Consolidated operations to ensure the ESH complies with current legal, regulatory and professional frameworks. Rolled out new Ways of Working (WoW) to develop cost-saving measures to help reduce the impact of Covid-19 onsite. Established and took ownership of the maintenance of European sites as well as delivering the Smartsheet follow-up. Supported the new EU regulations application process by updating and distributing documentation when requested.

2018-12-01 - 2020-02-29 — E-business/ e-Commerce Consultant

Created from scratch SOW preparation and review for a website launch with a delivery timescale of just 14 weeks. Undertook a retail/delivery strategy that included benchmarking B2C logistics suppliers and a review of e-retail costs.

2015-11-01 - 2017-11-30 — Operations Manager

Successfully scaled at pace an online e-commerce website dedicated to French Vintage Clothing. Led multiple projects including a customer interface using Magento vs DHL tracking system that improved order tracking.

2014-11-01 - 2015-11-30 — Procurement & Logistics Manager

Led the seamless transition of adopting the Metapack Warehouse Management System using Waterfall methodologies. Launched a tracking system with Spree e-commerce and WN Direct that significantly reduced return rates from 40% to 30%.
