Expériences professionnelles

08/2018 - 09/2020 — Logistic Store Supervisor
Supervised daily logistic activities to ensure smooth operations, proper staffing levels, and adequate inventory control. Organized warehouse space and planned layouts to allow for maximum storage capabilities. Maintained high standards of store appearance by enforcing cleanliness guidelines, organizing packages, and scheduling routine maintenance tasks. Educated and trained staff to be equipped with knowledge about products, customer service, and warehouse policies. Supervised associates by providing direction and instruction for stocking shelves, rotating stock, and receiving deliveries. Ensured compliance with company policies and local regulations by regularly reviewing operational procedures and providing necessary updates or corrections, as needed. Kept documentation and records accurate and up-to-date with the latest data to prevent errors in processing or delivery. Worked with logistic management to implement company safety programs and awareness, reducing workers' compensation costs. Supervised loading/ unloading processes for efficient handling of products while preventing damages or delays in shipment schedules. Evaluated transportation options to identify the most cost-efficient carriers, saving on shipping expenses. Resolved any issues arising from shipment discrepancies or damaged items promptly, minimizing impact on overall operations. Directed team members during peak periods using effective communication strategies to ensure smooth operations under high pressure situations.
