## Product manager

### Ma recherche

---

Je recherche tout type de contrat, sur toute la région Ile de France, dans le Batiment.

### Formations

---

**12/2021** : Bac +3 à Government Engineering College TCR India  
Bachelor of Technology in Production Engineering

### Expériences professionnelles

---

**11/2022 - 01/2025** :

Product Manager chez Tarento Technologies sur Paris

Spearheaded the end-to-end digital product development process for web and mobile solutions, covering discovery, design, development, delivery, and maintenance for international clients across various industries. Defined and communicated the product vision, managed OKRs, established KPIs, and collaborated with design teams to create user-friendly interfaces.

**08/2021 - 11/2022** :

Associate Product Manager

Drove the implementation of three key products—AI-powered Conversational Assistant, Interview Assessment Tool, and Employee Engagement System—boosting sales conversions by 30%. Developed product-led strategies, conducted market research, and facilitated Agile ceremonies.
