Formations

09/2009 — Bac +2 — IPSSI
Bachelor Development Web

Expériences professionnelles

01/2023 - 01/2024 — Senior Designer
Web designer and construction of the company's website. Design using programs like InDesign for some of the company's catalogs. Business card design. Photographing all products for use in the company's catalogs.
06/2020 - 10/2022 — Design Archviz
Completion of the rendermind training course. Product design, texture design, interior design, model design and architectural design.
01/2020 - à ce jour — Founder Designer and Team Leader
Led a team of 2 artists, providing artistic quality and aesthetic vision to the team and ensuring high visual fidelity and optimization. Designed and customized a variety of 3D assets, models, animations, and skeletal meshes, building them within various programs such as Unreal Engine, 3DsMax, Blender, SketchUp, among others. Analyzed client requirements and collaborated with other artists to create realistic 3D images and animations that helped the client better visualize the intended end product. Maintained client satisfaction by delivering consistent aesthetic and technical quality throughout the asset pipeline. Designed and developed high quality interactive digital renderings and animations. Effectively worked on more than 6 weekly projects with changing requirements, all under strict deadlines and requiring timely project completion. Developed concept designs for high end residential projects, resulting in client satisfaction and increased referrals. Produced accurate and detailed architectural drawings for construction documentation, minimizing errors and rework on site. Prepared 3D renderings and document packages for presentation.
02/2015 - à ce jour — Freelancer
Producing storyboards for social media videos, websites, and dance schools. Conceptualizing videos for dance performances. Generating ideas, validation, planning, prototyping, and product development. Construction and development of projects in apartments. Designing individual products.
