

5 à 10 ans d'expérience

Réf : 2506122035

Aluminum carpenter and stainless steel welder

Ma recherche

Je recherche tout type de contrat, dans toute la France, dans le Batiment.

Expériences professionnelles

01/2019 - à ce jour :

Aluminum & Glass Technician chez Self-employed

Managed personal business handling custom aluminum and glass installation projects. Installed high-end glass shower systems, kitchen frames, balconies, and stair railings. Worked directly with clients, ensuring satisfaction and quality control. Responsible for measurements, fabrication, welding, and site installation.

01/2016 - 12/2019 :

Metal and Glass Fabricator chez Various Companies

Worked in several workshops gaining deep experience in aluminum carpentry and welding. Collaborated on construction sites to install glass, steel, and aluminum products. Maintained safety standards and supported team operations.
