Freelancer Shop drawings chez Schüco Usa Lllp

Worked on projects for high-importance clients, including Apple's new stores worldwide. Prepared shop drawing packages requiring a precision level of 1/10 mm. Coordinated updates with Design Engineers and project managers, and tracked changes. Created 2D AutoCAD drawings for facades, sections, and details at a 1:1 scale. Utilized Revit to create adaptable 3D models using multi-use parametric families. Generated schedules for window quantities in large-scale projects.

01/2021 - 07/2022 :

Architectural Designer chez Hestior Design

Worked in numerous residential, commercial projects throughout Albania. Designed and generated project drawings that met client's need: conceptual sketches, layout organization, floor plans, sections, facades, construction details, FF&E, renders and visualisations. Assisted in project implementation on site. Assisted Senior Architects with reports, cost estimates and time tables. Researched building codes and requirements and implemented them in the project.

06/2020 - 12/2021 :

Architecture Intern chez Everest Group

Conducted on-site visits and took measurements. Translated client specifications into sketches and CAD designs. Collaborated with junior and senior architects to prepare project drawings.
