### Expériences professionnelles

---

**10/2024 - 12/2024** :

Steel fixer (independent contractor)

Work with various construction companies on reinforcement and concrete projects. Read and interpret structural drawings and plans. Cut, bend, and fix rebar for foundations, columns, slabs, and beams. Ensure quality and safety standards on job sites.

**09/2024 - 10/2024** :

Excavator Operator Intern chez Salem Transport & Btp

Used various sizes of hydraulic excavators to perform earthmoving, excavation, grading, and demolition work. Ensured compliance with safety instructions and operating procedures. Performed machine care and maintenance, managed material supply and collaborated with the site team.

**03/2024 - 09/2024** :

Excavator Operator Trainee chez Cfpem

Hydraulic excavator operator training in the construction or mining sectors, with an internship. Demonstrated mastery of excavation, loading, unloading, grading, and material handling techniques.

**11/2021 - 10/2024** :

Freelance Contractor - Carpentry / Steel Worker (Doha)

Interpret complex architectural and mechanical blueprints. Perform metal cutting, welding, concreting, steel installation, construction of towers, bridges and other steel structures. Assisted new hires with training and orientation.

**01/2020 - 12/2021 :**

Driver chez Visiola-sarl

Responsible for vehicle maintenance, verification of use, loading/unloading, securing cargo, checking documentation, completing logbooks, and complying with road safety instructions.

**01/2007 - 12/2020 :**

General Foreman chez Zublin International Llc

Prepared and distributed concrete and other materials, collaborated with 22 workers, assisted various trades, maintained clean workspaces, submitted timesheets on time, and ensured projects were completed on schedule with zero injuries.
