Consulting engineer

Ma recherche

Je recherche tout type de contrat, sur toute la région Nouvelle-Aquitaine, dans le Batiment.

Formations

06/2003 : Bac +5 à The National Engineering School of Tunis, Tunisia
Master of Science, Civil Engineering

Expériences professionnelles

03/2008 - 06/2011 :

Senior BIM & Project Coordinator chez Ramaco Trading & Contracting

Coordinated structural and MEP models for public infrastructure projects, reducing RFIs by 30% through proactive clash detection and weekly coordination meetings.

01/2008 - à ce jour :

Founder & Consulting Engineer chez Independent Practice sur Doha

Provide end-to-end engineering consultancy for infrastructure, road, and educational projects from feasibility and design to construction supervision and handover. Led design and execution of 15+ school and university campus projects.

01/2006 - 02/2008 :

Structural & Infrastructure Engineer chez Vinci Construction

Designed and supervised civil works: highways, drainage systems, retaining walls, and utility corridors. Managed contractor interfaces and technical reviews.

01/2005 - à ce jour :

Accredited Trainer & Capacity Development Lead chez Robobat France / Africa, Softway Executive Training

Trained 500+ professional engineers, BIM managers, design office leads, and senior executives. Developed bilingual (FR/EN) training material.
