Electrician and electrical project leader

Ma recherche

Je recherche tout type de contrat, dans toute la France, dans le Batiment.

Formations

12/2016 : Bac +2 à Institut Siantou
Associate Degree in Electrical Engineering

12/2014 :
Baccalaureate in Electrotechnics

Expériences professionnelles

01/2018 - à ce jour :

Senior Electrical Project Manager / Lead Engineer chez Argos S.a. sur Yaoundé

Directed major national electrical and ICT infrastructure projects, including high-security works, leading teams across multiple concurrent sites. Managed generator systems installations, controlled project schedules, and implemented compliance programs.

01/2017 - 12/2018 :

Assistant Project Manager chez Geni Elect sur Yaoundé

Delivered solar installations, managed project timelines and budgets, and ensured compliance with electrical standards while expanding power access to underserved communities.

01/2016 - 12/2017 :

Lead Electrical Installator chez Bme Technology sur Yaoundé

Led large-scale industrial electrical installations and partnered with NGOs to deliver solar lighting solutions in rural areas, ensuring compliance with safety regulations.
