Expériences professionnelles

01/2025 - à ce jour — Sales & Trading Fixed Income Analyst – Emerging Market Credit

Supported a wide range of clients (asset managers, hedge funds) by providing liquidity and delivering actionable trade ideas across EM sovereign bonds, corporates, and CDS. Produced daily market colour and weekly flow reports. Collaborated with trading, strategy, and research teams to deliver tailored credit views and pricing. Managed primary issuance process end to end, coordinating with syndicate desk and operations. Monitored macro economic and geopolitical developments to generate insights for risk management and investment decisions.

06/2024 - 09/2024 — Summer Internship – Global Markets Program – Sales & Trading

Rotated across Credit Sales & Trading, Exotics Equity Derivatives Trading, Financial Engineering, and Emerging Market Credit Sales & Trading. Contributed to daily activities, delivered projects, presentations and pitches to diverse teams across Equities and Fixed Income divisions.

06/2023 - 09/2023 — Summer Internship – Global Markets Program – Sales & Trading

Supported the Rates Sales team by preparing marketing presentations and market updates for institutional clients. Produced daily and weekly commentaries on rates products. Developed and pitched macro rates trade ideas to internal stakeholders and the Rates trading desk. Shadowed teams across Fixed Income and Equities to strengthen multi asset class understanding.
