Expériences professionnelles

2025-01-01 - 2026-01-31 — Labourer

Assisted in the construction of modular homes in a fast paced environment, using a range of power tools for assembly and installation. Supported daily site operations including preparation, material handling, and clean up while following safety procedures and maintaining a high standard of workmanship.

2024-07-01 - 2024-11-30 — Labourer

Performed painting of steel structures, ledgers, and scaffolding components while ensuring high attention to detail. Maintained a clean and organised workshop to support safe and efficient operations. Used a variety of power tools to assist with preparation and maintenance tasks, contributing to a productive and safe work environment.

2024-02-01 - 2024-05-31 — Bricklayer Assistant

Assisted bricklayers on residential renovation projects by carrying bricks, mortar and construction materials across the site. Prepared tools and set up work areas before starting tasks to ensure efficient workflow. Cleaned excess mortar and maintained tools after use while keeping the work environment organised. Followed safety procedures and supported the team to complete projects safely and efficiently.

Trade Assistant

Assisted tradespeople with a variety of construction tasks on site while supporting daily operations. Used hand and power tools to complete assigned duties and helped load and unload building materials when required. Maintained a clean and organised worksite through regular site clean up and preparation. Followed all workplace safety procedures and worked both day and night shifts depending on project requirements.

Stores Trade Assistant

Responsible for receiving and checking incoming deliveries to ensure accuracy and proper documentation. Loaded and unloaded trucks safely while handling materials and equipment. Organised and maintained warehouse stock to ensure efficient storage and easy access to items. Picked and packed orders for internal distribution and used pallet jacks and trolleys to move materials safely within the warehouse. Labelled and stored products according to company procedures and safety standards.

Atouts

Hard worker, Reliable, Punctual, Motivated and fast learner, Responsible, Construction, Power tools operation, Site safety procedures
