Ingénieur Travaux

Né(e) en 1998 · 93160 Noisy le Grand · 5 à 10 ans d'expérience · Réf. 2606131842

Ma recherche

Contrat recherché : Tout contrat
Zone : Toute la France
Mobilité : sur toute la france
Rémunération : a étudier
Secteur : Batiment

Formations

08/2026 — Bac +5 — École Centrale de Nantes

Double degree Master in Civil Engineering – Materials and Structures in Their Environment Specialised coursework on durability, sustainable concrete, service life prediction, and structural maintenance.

08/2025 — Bac +5 — Sapienza University of Rome

Master's degree in Civil Engineering Road design & construction, hydraulic works, seismic structural design, foundations & retaining structures.

06/2019 — Bac +3 — University of Rome Three

Bachelor's degree in Civil and Environmental Engineering Thesis on innovative concretes with carbon nanotubes, hydraulic works, road design, construction techniques, geotechnics and structural design.

Expériences professionnelles

01/2025 - 02/2026 — Team led Design & Construction Projects – Student Engineer

Extra urban road (C category) – feasibility, alignment, cost optimisation (4 /mois). Potable water supply network – hydraulic design & sizing (4 /mois). Seismic residential building – load analysis, ULS verification (9 /mois). Foundations & retaining structures – geotechnical characterisation & design (9 /mois).

01/2024 - 06/2024 — R&D Intern – Low carbon concretes

Conducted experimental research on low carbon concrete mixes (slag & metakaolin). Designed mixes, performed structural analysis, evaluated mechanical performance and long term durability, and provided data for construction site quality control and environmental performance.

Langues

Italian (maternelle), French (maternelle), English (maternelle), Korean (courant), Spanish (notions)

Atouts

Project planning & scheduling (MS Project), Data analysis & reporting (Excel, Power Query, Pivot tables), BIM modelling & drafting (AutoCAD, Civil3D, QGis, Epanet), Structural analysis (SAP2000, Revit), Budget monitoring & cost control, Safety awareness & risk prevention, Low carbon concrete & cementitious systems, Environmental impact of construction materials, Durability & service life prediction, Project planning and management, Teamwork and communication, Problem solving and critical thinking, Organization and attention to detail, Adaptability and continuous learning, Multicultural mindset, Organized, Proactive, Curious, Dynamic, Entrepreneurial, Adaptable, Collaborative

Permis

Permis B

Loisirs

Traveling, Cooking, Skiing, Football, Kick boxing, Anime
