Expériences professionnelles

08/2024 - à ce jour — Financial controller

Managed financial control activities across international operations, month end closing, account reviews, reconciliations and analysis; resolved €105k differences; prepared management reporting, KPI monitoring and variance analysis; reviewed financial processes and implemented automated reconciliation tools using ERP, Power /BI and Power /Query; collaborated with Finance, Operations, IT and auditors to strengthen internal controls.

10/2021 - 08/2024 — Strategic Finance & Risk Analyst

Developed risk based analytical frameworks, dashboards and reporting tools; supported finance transformation and data driven decision making; contributed to large scale transformation programmes, data governance and reporting standardisation; performed advanced financial and operational analyses; collaborated with cross functional stakeholders and external advisers (including PwC).

04/2021 - 10/2021 — Business Analyst (Consulting Project)

Conducted large scale market and workforce data analysis; designed a digital data driven assessment tool; collaborated with public institutions (Ministry of Education, India); developed risk assessment frameworks and monitoring tools; produced analytical reports and strategic recommendations for policymakers.

05/2019 - 09/2020 — Private equity research intern

Supported regulatory compliance and financial reporting; prepared corporate tax schedules; performed GST/ TDS reconciliations; contributed to internal audit and control engagements (e.g., Tata Motors); performed financial due diligence on investment opportunities; collaborated with tax advisors, auditors and regulatory stakeholders.
