Expériences professionnelles

09/2025 - 03/2026 :

Operations Management Trainee chez Ashok Iron Work sur Paris

Monitored inventory levels and material flow to support uninterrupted automotive operations. Analyzed operational KPIs, production efficiency, and stock utilization to improve performance. Assisted in forecasting material requirements and optimizing resource allocation. Coordinated with production and supply teams to improve workflow efficiency and reduce delays up to 30%. Supported cost control and continuous improvement initiatives through operational analysis.

02/2023 - 02/2024 :

Operations & Quality Intern chez Cnc Automotive

Assisted quality checks using SPC tools and supported process monitoring. Conducted physical inventory audits and maintained Excel based tracking. Supported spare parts logistics and material flow coordination.

/ - à ce jour :

Europe Procurement Master Data Management Intern chez Air Liquide

Managed and maintained procurement master data (materials, vendors, purchasing info records) across multiple European entities. Processed and validated change requests (prices, lead times, MOQ, Incoterms) in line with governance rules. Coordinated with buyers, supply planners, finance, and IT teams to resolve data inconsistencies and unblock purchasing operations. Improved data quality and standardization by 20%, reducing purchasing errors and rework. Supported KPI tracking related to master data accuracy and turnaround time.
