# Civil Engineer

Mangalore · Plus de 10 ans d'expérience · Réf. 260918113149

## Ma recherche

Contrat recherché : Tout contrat
Zone : Toute la France
Mobilité : sur toute la france
Rémunération : A étudier
Secteur : Bâtiment

## Formations

2009-12-31 — Bac +3 — Board of Technical Education
Diploma in Civil Engineering

## Expériences professionnelles

2020-01-01 - 2026-03-31 — Draughtsman cum Assistant Civil Engineer

Prepared detailed architectural and civil working drawings using AutoCAD; generated Bill of Quantities (BOQ) and material estimation; coordinated and supervised on site technical activities; performed site inspections, column marking, masonry alignment and structural layout verification; produced beam, slab, shuttering and foundation drawings.

2015-07-01 - 2019-09-30 — Site Supervisor

Supervised full cycle construction execution; performed DGPS land surveying and setting out; executed Bar Bending Schedules (BBS) and reinforcement checks; coordinated subcontractors, material deliveries and daily site activities; prepared progress reports and contractor billing.

2012-08-01 - 2015-06-30 — Draughtsman cum Assistant Civil Engineer

Prepared detailed architectural and civil working drawings using AutoCAD; generated Bill of Quantities (BOQ) and material estimation; coordinated and supervised on site technical activities; performed site inspections, column marking, masonry alignment and structural layout verification; produced beam, slab, shuttering and foundation drawings.

2011-05-01 - 2012-07-31 — CAD Engineer

Developed civil and structural AutoCAD drawings for residential, commercial and industrial facilities; prepared Bar Bending Schedules and detailed reinforcement details; quantified RCC and steel requirements; performed site inspections and generated technical documentation.

2009-07-01 - 2010-04-30 — Assistant Civil Engineer

Supervised day to day site execution, shuttering and reinforcement placement; conducted land surveying and ground marking; prepared technical documentation, Bar Bending Schedules and as built details; performed quantity estimation and running account billing; updated AutoCAD drawings to reflect field conditions.
