Ma recherche

Contrat recherché : Tout contrat

Zone : Toute la France

Mobilité : sur toute la France

Rémunération : à étudier

Secteur : Bâtiment

Formations

12/2009 — Bac +3 — Board of Technical Education

Diploma in Civil Engineering

Expériences professionnelles

01/2020 - 03/2026 — Draughtsman cum Assistant Civil Engineer

Prepared detailed architectural and civil working drawings using AutoCAD; generated Bill of Materials (BOM) and material estimation; coordinated and supervised on site technical activities; performed site inspections, column marking, masonry alignment and structural layout verification; produced beam, slab, shuttering and foundation drawings.

07/2015 - 09/2019 — Site Supervisor

Supervised full cycle construction execution; performed DGPS land surveying and setting out; executed Bar Bending Schedules (BBS) and reinforcement checks; coordinated subcontractors, material deliveries and daily site activities; prepared progress reports and contractor billing.

08/2012 - 06/2015 — Draughtsman cum Assistant Civil Engineer

Prepared detailed architectural and civil working drawings using AutoCAD; generated Bill of Materials (BOM) and material estimation; coordinated and supervised on site technical activities; performed site inspections, column marking, masonry alignment and structural layout verification; produced beam, slab, shuttering and foundation drawings.

05/2011 - 07/2012 — CAD Engineer

Developed civil and structural AutoCAD drawings for residential, commercial and industrial facilities; prepared Bar Bending Schedules and detailed reinforcement details; quantified RCC and steel requirements; performed site inspections and generated technical documentation.

07/2009 - 04/2010 — Assistant Civil Engineer

Supervised day to day site execution, shuttering and reinforcement placement; conducted land surveying and ground marking; prepared technical documentation, Bar Bending Schedules and as built details; performed quantity estimation and running account billing; updated AutoCAD drawings to reflect field conditions.
