Formations

Bac +3 — Pontificia Universidad Católica del Ecuador — PUCE

Bachelor's Degree in Biological Sciences

Bac +5 — Escuela Politécnica del Ejército — ESPE

Master's Degree in Environmental Management Systems

Expériences professionnelles

01/2026 - à ce jour — Senior Environmental Consultant – Protected Areas and Environmentally Sensitive Ecosystems

Provided specialized environmental consulting support for strategic oil infrastructure projects, including technical assessment of invasive alien species, biotic baseline characterization, biodiversity management strategy development and environmental impact assessment for the Alto Coca OCP Bypass within a protected area setting.

01/2017 - 09/2026 — Environmental Coordinator – Fruta del Norte Mine

Technical leadership and environmental management for a large scale mining operation in Ecuador. Implemented and monitored Environmental Management Plans, coordinated permits, performed internal and third party audits, managed waste, biodiversity, ecological restoration, and emergency response programmes.

01/2013 - 12/2017 — Manager Project

Directed environmental and social consulting projects for oil & gas, mining and infrastructure sectors, leading multidisciplinary teams and coordinating EIAs, EM Plans, compliance audits and permitting processes.

01/2008 - 12/2013 — Director, National System of Environmental & Social Liabilities

Led the technical component of the national system for environmental and social liabilities, developed policy guidelines, coordinated valuation of liabilities and oversaw annual performance reporting.

01/1998 - 12/2008 — Technical Project Coordinator

Coordinated technical aspects of environmental projects, performed baseline studies, supervised monitoring programmes and managed contaminated site remediation and waste handling.

Langues

Spanish (maternelle), English (courant)
