Expériences professionnelles

01/2022 - à ce jour — HVAC/R Technician

Diagnosed and repaired HVAC and refrigeration faults on site (residential and commercial) as part of a team of 2-3 technicians; completed up to 10 installations and maintenance jobs per month on Split, Multi-Split and VRF/VRV systems; reduced equipment downtime through fast diagnostics and first-visit corrective repairs; performed installation quality control (sizing, sealing, duct insulation and post-commissioning performance checks); monitored and troubleshooted VRV/VRF systems; read technical schematics to identify faults and validate installations; applied safety procedures on residential, commercial and industrial job sites.

Langues

Arabic (maternelle), French (maternelle), English (courant)
