Expériences professionnelles

01/2024 - 12/2026 — Senior Industrial Flooring Specialist / Operator

Executed high precision industrial concrete slab installations (Dallage Industriel) for warehouses, factories and logistics hubs. Operated single and ride on power trowels (helicopters) to achieve smooth, wear resistant, high flatness finishes. Applied surface hardener (dry shake quartz) and curing compounds. Performed expansion joint sawing, cleaning and sealing. Enforced strict site safety and quality control standards.

01/2022 - 12/2024 — Concrete Finishing & Epoxy Application Technician

Assisted in site preparation, sub base compaction verification, formwork setting and vapor barrier installation. Operated concrete immersion vibrators and laser/vibratory screeds for uniform compaction and leveling. Prepared surfaces via grinding and shot blasting for multi layer epoxy resin and polyurethane floor applications. Coordinated with site engineers and suppliers to monitor slump levels and curing timing.
