Expériences professionnelles

04/2024 - à ce jour :

Data Center Technician chez Gxo Logistics sur Paris

Perform server deployment, rack & stack operations, component replacement and system testing. Perform hardware troubleshooting and network/fiber-optic cable patching and management. Manage technical tickets and work requests prioritizing activities according to SLAs and operational needs. Enforce rigorous data center procedures, safety standards and equipment protocols.

03/2021 - 04/2024 :

Logistics Technician chez Gxo Logistics sur Paris

Supervised setup, cabling and deployment of server racks while maintaining high operational standards. Processed defective hardware via RMA using SAP and WMS for packaging, shipment and returns. Coordinated spare parts replenishment, tracked inbound/outbound shipments and maintained inventory accuracy. Adhered to site safety regulations, ensuring an efficient and compliance-focused work environment.

06/2020 - 03/2021 :

Logistics Lead chez Chronopost sur Chilly-Mazarin

Managed stock control, inventory tracking and order preparation activities. Conducted inventory audits and maintained comprehensive logistics and shipping documentation.

06/2018 - 03/2020 :

Check-In Agent chez Alyzia sur Paris

Managed passenger check-in, travel document verification and boarding procedures. Coordinated gate operations and passenger flow to ensure safety standards and on-time departures.
