Formations

12/2004 — Bac +2 — CSFMH Tabarka
Diploma of Advanced Technician

Expériences professionnelles

03/2022 - 09/2022 — Project and public relations manager

Managed a group of 15 maintenance technicians, providing technical support and training. Supervised daily activities, coordinated schedules, performed building evaluations and recommended efficiency improvements. Oversaw project timelines and quality control.

12/2017 - 11/2021 — Free Contractor

Installed and maintained refrigeration and air-conditioning rooms across Riyadh, Dammam, Jeddah, Khafji and Hafr Al-Batin. In 2019 operated aluminum cold rooms and restaurant equipment for Cup Turn Hotel and Hotel Shatha Makkah. Coordinated with engineers and draftsmen to meet client requirements.

12/2016 - 11/2017 — AC Specialist

Team manager at Aathem Mall (Ice City). Managed all AC system installations for residential contractors. Collaborated with engineers and draftsmen to define system requirements based on unique designs and client specifications.

05/2010 - 09/2014 — Self employed

Conducted market analysis and income forecasting. Handled all AC system installations for residential contractors. Recruited, trained and managed teams. Managed purchase orders and ensured timely delivery of components for new builds.

12/2009 - 05/2010 — HVAC Technician

Assembled and mounted heating and cooling units according to manufacturer specifications. Installed auxiliary components such as ducts and discharge valves. Developed preventative and general maintenance routines for commercial HVAC units, including filter changes, vacuuming and cleaning.

12/2008 - 11/2009 — Cold Rooms Technician

Troubleshot and repaired cold-room equipment, disassembled units, repaired broken components and restored operation. Serviced electrical, pneumatic, mechanical and micro-processor controls. Kept detailed maintenance and repair records and handled refrigerant recycling and charging.

11/2007 - 12/2008 — AC Technician

Analyzed, modified and repaired digital control systems. Installed air conditioning equipment and tested for proper operation. Examined heating and air conditioning systems for defects, responded to service calls, and performed preventative maintenance on residential and small-business systems.

09/2005 - 09/2007 — Air Conditioning Technician

Repaired compressors, replaced filters and diagnosed AC problems. Maintained customer service standards and punctuality. Ensured service vehicle was stocked. Used diagnostic tools, repackaged and reassembled compressors, prepared estimates, answered customer questions and handled emergency calls. Followed warranty specifications.

01/2004 - 05/2005 — Air Conditioning Technician

Diagnosed problems in air conditioning units and performed the appropriate repairs. Installed wireless, programmable thermostats in homes, offices and industrial warehouses. Assisted clients in selecting new units. Maintained, repaired and replaced residential and commercial air conditioning systems.
