Oil and gas production engineer

Ma recherche

Je recherche tout type de contrat, sur la France et étranger, dans l'Ingénierie.

Formations

2005/2009 : oil and gas production engineering (Major of 5 years studies (3rd one))

Expériences professionnelles

8 1st 2008 to 9 2th 2008 GTFT (association Sonatrach-Total-Repsol)Tin Foy Tabnkort- trainer There was my first contact with the oil field and I have assisted a lot of operations and seen its related units such as work-over, drilling rig and its different parts and functions, coiled tubing , wireline and also I could see the surface equipments and facilities

3 24th 2009 to 5 7th 2009 SONATRACH -DP Haoud Berkaoui Ouargla - trainer to prepare the final year project there I gained more professional technics and moreover I deepened my knowledge of production engineering through visiting the departments of geology, wireline, work over, snubbing , well test and reservoir engineering where I passed the longest time

Langues

- English: good (INPED diploma) + Arab : fluent parlé: scolaire / écrit: notions

Atouts et compétences

Design of Software for the analysis of the indices of hydrocarbon reservoir exploitation "CDR"
software "CDR" (codiciel development reservoir) : software for reservoir engineering using the Visual Basic

informatics □Windows (XP, 98, 2000, vista), Word, Excel, PowerPoint....

software □Visual Basic, Fortran, Perform, Surfer and general idea for petrel and eclipse and other soft....
(Expert)

Centres d'intérêts

- reading, electronics and informatics, traveling, football and race
