

Senior Interior Designer

Bahrain, Etranger

We are a practice based in Bahrain, specialized in high end residential projects. We pride ourselves in being able to adapt to projects and to the client's need.

To join our team, we are currently looking for a :

Senior Interior Designer

Votre mission :

We are currently looking for a passionate designer with 7 years' international industry experience to join our team.

The ideal candidate will be someone who is fluid between both conceptual and technical design - with experience in technical drawings, tender package, project management, material selection and FF&E.

Votre Profil :

Essential Skills:

- Experience producing full tender packages
- FF&E experience
- 7 years' experience minimum
- Knowledge of specialized IT Design Tools
- Experience for GCC Client is a plus
- Ability to sketch freehand (advantageous)

Conditions d'emploi :

The salary on this role will be down to experience and ability

CV has to contain portfolio of projects completed, else CV will not be reviewed.

Applicant should be willing to relocate to Bahrain if successful on the interview.
